

# ACTA ORTHOPAEDICA et TRAUMATOLOGICA TURCICA

## ACKNOWLEDGEMENT OF AUTHORSHIP and TRANSFER OF COPYRIGHT AGREEMENT

The author(s) undersigned declare that they accept the conditions stated below for the manuscript (from now on will be referred as Manuscript) titled “.....  
.....  
.....  
.....” and its supplementary documents, which we have submitted to Acta Orthopaedica et Traumatologica Turcica (from now on will be referred as Journal) to be reviewed, edited, and afterwards published.

With this agreement, the author(s) agree to transfer all rights of publishing (print, electronic, visual, audial) of the Manuscript to the Journal in the framework of the Law No. 5846 on Intellectual and Artistic Works. In case of dispute, the courts in İstanbul, Turkey are authorized.

With this agreement, each author declare that (i) the final version of the Manuscript has been read and approved by each author, (ii) the Manuscript is original, (iii) the author(s) is/are the only owner of any right of the Manuscript, (iv) the Manuscript has not been published nor is under simultaneous consideration for publication elsewhere, including electronic publication and the author(s) has/have not agreed with, or transferred the rights of the Manuscript to another institution, establishment, organization (including print and electronic publishers) previously, (v) no conflict of interest exists between the Manuscript and any other manuscript, published work, or person, (vi) all permissions, transfer of rights, informed consents regarding the Manuscript have been obtained, and (vii) a copy of each will be presented if requested by the Journal. In case the Journal Editor requests, the author(s) will provide all data, information, and documents that the Manuscript is based on, as soon as possible. The Journal has all the rights to use these data, information, and documents in any way (as long as it concerns the Manuscript) during the process of reviewing the Manuscript.

In case the Manuscript is published, the Journal can use the name(s) of the author(s) and the published work within itself and its related publishing organizations for notification, promotion, or distribution.

This ‘Acknowledgement of Authorship and Transfer of Copyright Agreement’ does not constitute an obligation for the Journal to publish the Manuscript or any part of it. However, in case the Manuscript is published, the Journal will inform the author(s) of its final form, and upon obtaining their consent, the 1st Article becomes valid. The Journal has no obligation to return any data, document, or information that has been sent.

The reviewing process of the Manuscript does not begin unless this agreement is completed. Each author will sign the agreement with his/her own signature. Stamp or electronic signatures are not valid.

We declare that we do not have any material or moral interest regarding the diagnostic/treatment methods reported, the results presented, the devices and/or equipment used in the Manuscript or the participants, and that there is no conflict of interest between the authors of the article.

Even if there is no conflict of interest regarding the authors and the Manuscript, this situation should clearly be stated in the letter to the editor. (\*Reference: Uniform requirements for manuscripts submitted to biomedical journals. Ann Intern Med 1997;126:36-47)

**Please indicate whether or not there are any conflicts of interest regarding the author(s) or the study results; explain if there is. (Must be replied.)**

.....  
.....  
.....  
.....

**Our manuscript whose title is mentioned above has not been submitted elsewhere to be published or reviewed, has not previously been published partially or totally. The authors who have their names, surnames, contributions, and signatures below have read the final version of the manuscript, and consented that its copyright be transferred to Acta Orthopaedica et Traumatologica Turcica.**
